No. 537 of 25-26

~~For~~ *Private Secretary*

To

HIS HIGHNESS THE MAHARAJA

SRI KRISHNARAJENDRA WADIAR BAHADUR, G.C.S.I.,G.C.B.

MAHARAJA OF MYSORE,

M Y S O R E.

May it please your Highness,

1. That, in submitting, with a profound sense of loyalty and devotion to Your Highness', the Scheme prepared by the Principal of the Maharaja's Sanskrit College for the "ವೇದಶಾಸ್ತ್ರಪಾಠಶಾಲೆ" (Vedasastra-Patasala) to be opened in Devarayasamudram Agraharam Kolar District, in memory of the late Sri. K. Subbamma,Ex-Head Mistress of the Maharani's High School I beg your Highness' permission to present this, my humble - - memorial, praying for your Highness' gracious consideration of the Scheme and of the grounds urged in support thereof; and I further appeal to your Highness to extend your Highness' -- patronage and support, to put the scheme on a workable basis.

2. That this Agraharam was granted, hundreds of years ago, by that illustrious Ruler Sri Kanga Raja and received confirmation and continued support from your Highness' illustrious House; that the community of a few Brahmins, who were brought into your Highness' State centuries before, has now grown up to one of nearly 8,000 in number, originally confined to one or two villages, but now scattered over a wide area comprising

comprising a number of hamlets surrounding this Agraharam.

3. That the mainstay of the community of which I am a Member is Agriculture, only 5 % of us having gone out to the new fields of occupation; that out of this ~~patronage~~ percentage, 3 % was taken up for the study of English in the hope of getting Government Service or of choosing some other field and not more than 1½ % is employed by Government ;

4. That, in these days of cry for employment, my communi I am proud to say, owns a limited number of graduates and - double-graduates, Viz., about 20, only 5 of whom are in the Government service-- the rest either having taken up indepen dent walks of life either in the State or out-side it Viz., in Burma, Ceylon, Bombay, Madras and Calcutta; that further I am sure that your Highness will be pleased to hear from me that one of us by name Mr. K. Narayanasastry, B.A.,B.E., a product of our own University has become a Contractor and has now taken up the construction of the Tiptur High School Building after creditably finishing the Water - Supply works at ChickMagalur; that these facts, that we are a people -- striving for the finding of means of self-support with a ful sense of the dignity of honest labour will, I believe, form one of the reasonable grounds for your Highness to graciousl consider my humble and loyal prayer.

5. That among others, who studied English upto the various standards of Secondary and University Examinations, many have turned back to our villages and they look up to the time- hono

honoured occupation as the best and sure means of support; that these disappointed young men with the memories of many a diversion in Towns feel village life to be tiresome; as a preventive remedy against the dangerous effects of laziness which may slowly gain ingress into the industrious Society, it is necessary to find employment and diversion in the villages; the latter remedy is of primary importance to induce them to take to Agriculture by gradual degrees.

In the circumstances the only healthy diversion congeneal to village life and still respected in villages is the learnin of our Ancient Lore-- this is the second ground for my appeal to your Highness.

6. That there are immediately a number of boys, between 20 and 25, who are entirely cut for Agriculture and for the study of Vedasastra; these are eager to this study if only facilities are open to them;

7. That this Agraharam with a population of 1,000 brahmins was known for the study of Vedic learnings and the maintenance of Sacrificial Fire; that one of the Dekshitas by name Veda Murthy-Iswara-poundarika Deshitar- alias- Shama Dekshitar used to receive a monthly pension of Rs.15/- from the Palace during the reign of your Illustrious Grand-father, the Late His Highness, Rummadi SriKrishnarajendra Wadiar Bahadur ravaru,

8. That among several charities which the late Sri.K. Subbamma intended to do during her life-time and the details of -- which are mentioned in the annexed memorial addressed to your Highness' Dewan, she has bequeathed a sum of Rs. 500/- for the

the " BrahmanaVidya Sahaya Sangha" of her community; that her assets are in the shape of immovable properties whose conversion into cash need time and exertion unless Your -- Highness' Government before whom the proposal made by me in my capacity as the executor of her will, makes up its mind to purchase her Bungalow in Mysore and thus enable me to discharge the trust;

9. That the scheme under reference involves a non-recurring charge of Rs.100/- and a recurring charge of Rs. 56/- per month in round numbers; the amount bequeathed by late Sri K. Subbamma is intended to be utilised for the construction of the building when it becomes available; for the rest I have to look up to your Highness, to your Highness' Government, and to my people and friends;

10. I assure your Highness that I can bear the initial cost and I expect from my people and friends the pay of the Vedic teacher and I humbly pray that your Highness may be pleased to graciously provide for the pay of the Sastra teacher and other charges from the Palace and the Government.

11. I beg your Highness' pardon for my first appeal to your Highness, because I consider that the moral boon which I expec from your Highness' Gracious hands will rouse my people to a sense of duty to the departed selfless lady who has already been the cause for the saving of many a life from the assistance rendered in her dispensary and who has endowed the bulk of her properties for the benefit of the poor subjects of your Highness

Highness inhabiting the remotest corner of the State.

12. In the name of our Ancient-lore and in memory of the deceased Sri.K.Subbamma I appeal to your Highness to graciously extend your Highness' patronage to this scheme and pray that your Highness may be pleased to grant such donation and monthly payment from the Palace for the " VEDASASTRA-PATASALA " to be opened in the month of March 1926 (ಅವರ ಮರಣದಿಂದ ವರ್ಷಕ್ರಮವು ಶ್ರಾದ್ಧದಿನ (the day of the Anniversary of Sr. K. Subbamma), that your Highness' devoted and loyal subject myself may be lucky to get, that the memory of the late Sri K, Subbamma deserves and that my people are entitled to.

I BEG TO REMAIN,

Yours Highness,

Your Highness' most loyal and humble subject,

A scheme for starting a "Veda Sastra Patasala"

From the letter under reference it is seen that arrangements are to be made now for the teaching of Vedic Recitation in only Yajur Veda and the imparting of instruction in the Elementary portions of Sahitya and that at present it may not be possible to engage the services of more than two teachers - one for Vedic Recitation and the other for Sahitya. I further assume that your object is to train up students both in Vedic Recitation and Sahitya and not have separate batches of them taking up only one of the two. It may at the outset be stated that with the staff proposed not more than 25 students can be given admission as instruction will not be effective if that number should be exceeded and the maintenance of discipline will be an impossibility especially in the hands of a Vaidika teacher, however modernised he may be.

1. Accommodation:- It is too much perhaps to think of the class being located at present in a structure put up for the purpose. Some dwelling in the midst of Brahmin Quarters may be rented out for the purpose, as the location of the class elsewhere may be objected to by orthodox people who alone may be expected to send their children to the school when started.

2. Furniture & Library:- No costly furniture is required. The teacher may be seated on a small plank and the pupils on mats of small sizes. Only the mats may have to be replaced at the end of every year. A black board, a bell and a set of Text-books both in Vedic Re-

citation and Sahitya will do to begin with.

Staff

3. One teacher for teaching Vedic Recitation and another for imparting instruction in Sahitya will be required. The Sahitya Teacher may be entrusted with Office work in addition to his tutorial one. The services of a whole time servant may be engaged.

4. Hours of work:- Five hours of work in the day will be quite enough, three of these being devoted to Vedic Recitation and two for Kavya, The class may be held in the morning between 7.30 and 10 and in the - afternoon between 2.30 and 5. The hours of work in Vedic Recitation should be each of one and a half - hour's duration and the hours of work in Sahitya one hour.

5. Text Books:- The teaching in Vedic Recitation will be by word of mouth, no text books being required, while instruction in Sahitya may be given by means of Text-books suited to the standard and capacity of the pupils.

6. Holidays: - ~~As~~ Ashtamis, Chaturdasi, Purnima or Amavasya and Padya should be included in the list of - Holidays as study on such days is prohibited. On Ashtami periodical examinations may without any objection be held. As to other holidays of a general nature, the question has to be decided according to local conditions and general observations. Summer holidays may be given to the extent of about four weeks or six weeks if there should be a large number of outside pupils.

7. Examinations: Periodical examinaetions are to be

held at intervals of not more than six months, so that theremay be two examinations at least in the year. The time for conducting the examinations may be fixed according to convenience.

8. Finance: - The preliminaries to be done in connection with the opening of the class may necessitate expenditure to the extent of about Rs.100 for equipping the school with furniture, library, and so forth. The menial staff may be limited to one servant boy on Rs.5 per mensem. The teachers, if they are to turn out efficient work, will have to be given Rs.20 each to begin with and they are to be given the grade of Rs.20-2-30 after a year's probation. Provision may be made for a contingent grant of Rs.2 per mensem for ordinary - expenses and a lumpsum grant of Rs.50 per annum in addition for conducting examinations, for keeping the building neat and clean and for the purchase of books for the library.

S I R,

I beg leave to respectfully submit the following representation for your sympathetic consideration and necessary instructions.

Being issueless my husband of blessed memory had, during his life-time, a strong and burning desire to promote the welfare of my community which requires special attention and care all along the lines of progress and advancement as its chronic poverty is beyond description. It is with this object in view he left a WILL at the time of his death leving me under a debt of duty to carry out his long cherished hope.

In fulfilment of his desire on sound lines I sought the advice and guidance of Mr. R.H.Campbell, the then Private Secretary to His Highness the Maharaja and the President of the Managing Committee of the Maharani's High School, Mysore, than whom a better counsel of ripe experience could not be thought of. He warmly supported my programme and promised his co-operation in the matter.

As a first step thereof I submitted a memorial to His Highness our beloved Sovereign to accept my poor contribution of Rs.5000/- to found a dispensary in Devarayasamudram as a Hospital in that remote corner was a desideratum of pressing urgency. It is needless for me to dilate at length on the usefulness of the Hospital since then, as statistics of the Hospital will speak for themselves.

t may be permitted to me to state that a recent accidental

abdominal fall from the upstairs while descending and the graqual weakness in my constitution and delicate health due to the non-fulfilment of the duty I owe to my Late lamented husband has landed me in a state of restlessness and encouraged me to submit the following programme for your sympathetic consideration, and I beg of you to kindly persue the same at your convenience.

I. My entire assets as they stand on the 1st ultimo are estimated to be at Rs.63,000/-. It is intended to utilise the same as here under:-

(a) E D.U C A T I O N:- Rs.15,000/- to Rs.25,000/-

(1) To set apart Rs.10,000/- (intended to be raised to Rs.20,000/- if funds permitted) for founding a University Endowment.

(2) To set apart Rs.2,000/- towards the maintenence of the Hostel at Devarayasamudram likely to come into existence on the conversion of the present Kannada Boys' School into an A.V.School.

(3) To set apart Rs.1,000/- for the Mysore Anathalaya.

(4) To set apart Rs.500/- for the Deaf and Dumb Institute,Mysore.

(5) To set apart Rs.500/- for the Brahmin Vidya Sahaya Sangha.

(6) To set apart Rs.1,000/- for providing two Annual Prizes, one of the value of Rs.40/- and the other of Rs.20/- to the two best girls who pass the S.S.L.C.Examination from the Maharani's High School

(b) E C O N O M I C A L.- Rs.4,500/-

(1) To set apart Rs.2,000/- to open a new irrigation Channel to the big tank of Devarayasamudram or to restore the existing one.

(2) To set apart Rs.2,500/- for the use of the Parameswara Dispensary at Devarayasamudram.

(c) R E L I G I O N.- Rs.1,500/-

(1) To set apart Rs.1,000/- for the restoration of the Lakshmi Narayana Swamy Temple at Devarayasamudram.

(2) To set apart Rs.500/- to create a fund for RAMOTHSAVA of the place.

(d) P E R S O N A L.- Rs.

(1) Rs.13,000/- to be paid away towards debts.

(2) Rs.1,000/- to my last expenses.

(3) Rs.24,000/- to my two brothers and my Sister's daughter.

(4) Rs.8,000/- to be paid for the services rendered and to be rendered by my Agent Mr. D.Rama Iyer, First Grade Pleader, Kolar.

(5) Rs.2,000/- to meet the cost of obtaining the probate of the WILL if I leave one.

(6) Rs.1,000/- to my husband's uncle's son R.N.Subba Rao.

(7) My house at Devarayasamudram and the Vritti Lands (Ancestral Property) to be given over to the performer of the last obsequies of my husband and myself.

II. The above Schedule will come up to Rs.70,000/- to Rs.80,000/- while my assets are only Rs.63,000/- leaving a deficit balance of a sum between Rs.7,000/- to Rs.17000/- and therefore I shall have to sell away my Bungalow at Mysore and invest the sale-proceeds in safe securities so that I may be enabled to do the charities before I retire from service, as other personal obligations are unavoidably to be discharged,

In view of the importance of these well thought out Charities and with due regard to the fact that a Lady of Mysore has undertaken this humble Social Work as a result of the benefit of the liberal Education received under the distinguished patronage of our Mysore Royal House, I request you to be so good as to view the above objects sympathetically and arrange for the purchase of my Bangalow for a sum

between

between Rs.36,000/- and Rs.40,0 the actual cost of the building to locate either the Maharani's College Classes, the Women's Vocational Institute, the Office of the Inspector General of Police, any Public Works Department or other office or Officers' Quarters in lieu of constructing a separate building and enable me to fulfil -- avowed objects, which are after all, I submit, apart of Governments' own programme of Educational and Economic up-lift. If it is not possible to comply with my humble request at present, I respectfully beg that you will be so good as to accord sanction, as an alternative, for obtaining the cost of the Bungalow by means of raffle under the kind patronage of Government.

Begging to be excused for my intrusion on your valuable time.

SIR,

In continuation of my letter No. H.C. 313/25-26 dated 2nd February 1926 regarding the petition of Mr. D. Rama Iyer, First Grade Pleader, Devarayasamudram about opening a Veda-sastra Patasala in the place, I have the honor to state that the main object of the proposed Patasala is understood to be the study of Vedic recitation and Yajurveda prayoga; and perhaps a maintenance grant to the institution from the funds of the Muzrai Department rather than from the funds of the Education Department would be more appropriate. Mr. Rama Iyer the petitioner has requested that his memorial may be forwarded to the Muzrai Commissioner for disposal and that steps may be taken to give a Sanskrit Teacher to the new Middle School sanctioned for the place. This latter request is noted for suitable action.

The petition received with your letter No. E. 2942 dated 7th December 1925 is accordingly retransmitted for favour of further instructions, if any.

I have the honor to be,

Sir,

Your obedient servant,

Muzrai Commissioner.

1 -26 dated t anuary 192 rom the uzrai Com-
er in Mysore to the Deputy Commissioner, Kolar District.

With reference to your letter No.RD-3.150/28-27 dated 31st Dec ber 1928 re the patronage and support to be extend l o the Vedapathasala to be opened at Devaraya Samudram in the M/lk , , , I have the honor to observe that the promised preliminary endowment of Rs.3500 will bring in a monthly income of Rs.3-5-4 only in the shape of interest while the --- monthly recurring expenditure is estimated at Rs.51-0/, excluding house rent, out of which a moiety of Rs.35-11-0 will have to be borne by them,. How the remaining amount of Rs.17-3-0 would be met monthly may kindly be intimated.

Again from the statement dated 24th August 1928 of Mr. D. Rama Iyer as the executor of the late Srimathi Subbamma's will, it is seen that such of the amount as would be made available out of the Srimathi Subbamma's estate would be paid towards the encouragement of the Pathasala. But the Government received with your letter under reference is quite silent on this point. The exact amount that would be made available towards the Pathasala out of the Srimathi Subbamma's estate as also information as to how long the payment of an annual sum of Rs.200/- towards scholarships would be made by Mr. D. Ramakrishna Iver may also be obtained and submitted very early with information as to the Pathasala having been started by Mr. Ramakrishna Iver. Unless the monthly income is assured, it would not be possible to maintain the Pathasala.

The records are herewith returned for reference and resubmission.

SIR,

In continuation of this office letter No.1100/25-26 dated 15th February 1926 on the petition of Mr. D. Rama Iyer the executor of the will of the late Sri K.Subbarayadu's will, praying for Government grant and support for the Vedapathasala proposed to be started at the Devarajeyanapura agrahara in the Malur taluk, I have the honour to forward herewith copy of letter No.R2-C.15/26-27 dated 10th February 1926 together with the connected records received from the Deputy Commissioner, Kolar District and to state as follows -

The Pathasala is proposed to be located for the present in one of the two temples at Devarajeyanapura and a building is proposed for the purpose, and two teachers on Rs 20/- each per mensem are proposed to be appointed, the subjects taught being Veda and Sanskrit. The monthly expenses of the Pathasala are estimated to come up to Rs.50/- as the whole amount could not be met out of the C.M.P. as prayed for in the petition, the promoters of the Pathasala were asked to bear one moiety of the estimated cost.. It is since ascertained that they are prepared to contribute the following items in respect of the monthly non-recurring expenses.

Mr. T. Venkatrama Iyer, Sub-Engineer, Malur has submitted the estimate for Rs 300 for the proposed building to be constructed in the Devarajeyanapura agrahara, the Patasala to be located temporarily in one of the Temples. He also offers to pay a monthly rent of Rs 5/- per month for the use of the two rooms. Mr. C. [illegible]

recurring expenses and the remaining R.
ships to encourage students to take up Sanskrit and
dition to this he promises a contribution of Rs.500/- t
str[illegible] of a building for the Patasala. The petitioner Mr.
Iyer has undertaken to provide a sum not less than Rs.250/- out of
the [illegible] Subramania estate and until the dues to the estate are
[illegible] he promises to pay a sum of Rs.17-8-0 every year in advance.
In addition they request that a grant-in-aid of Rs.300/- a year or
Rs.25/- per mensem may be sanctioned by Government to the Patasala, an
[illegible] grant of Rs.100/- towards scholarships to
[illegible] cost of Rs.100/- and they want the Patasala to be
named "Gang[illegible] Vedic Theatre Patasala" after
Mr. A. [illegible] Iyer's father.

The Deputy Commissioner recommends that all their requests may
be complied with as the rate of interest can be of 6½ interest on the
[illegible] amount of Rs.5000/-. As the maximum rate of interest allowed
by C.P. Trust Reports is of this recommendation of the Deputy Commis
sioner may be complied with as regards the naming of the Patasala it w
[illegible] requested in the petition that it should be named after Dr
[illegible] equally the name charged by the petitioner him
[illegible] number of charities have already been started in her name and he
[illegible] to name it after the father of Mr. A. Ramakrishna Iyer as "Ga
[illegible] Vedic Theatre Patasala." The annual income fro

Rs.10-0-0 from Mrs. Subramania estate the total permanent income wil
be Rs.[illegible]-8-0 other contribution promised by the party being tem
porary for a period of 5 years.

In these circumstances I beg to recommend that the Patasala may be
named as proposed by the petitioner and that a grant-in-aid of Rs.15/-
per mensem may be sanctioned from the C.P.T. which will be more than the con-
tribution promised by the party.
